

## *Curriculum Vitae for Jeffrey S Carr*

Internationally-known cyber security consultant, entrepreneur, speaker and author since 2009, founder, CEO and President of Taia Global, Inc. since 2011 and founder of the Suits and Spooks Security conference.

### **Taia Global, Inc., 2011-Present, CEO/President**

- Provided security consulting services to several Chertoff Group clients on a monthly retainer and to others on a flat-fee schedule from 2011-2012. Services included due diligence investigations, security operations center assessments, and post-breach security consultations.
- Provided Security Operations Center assessments to BAE Systems in 2012 and 2013.
- Provided vulnerability testing and cyber investigative services to Taia Global corporate clients between 2012-2013.
- Founded Suits and Spooks security conference in 2011; sold to Wired Business Media in 2014 for one year's gross income.

### **Author, Speaker and Independent Security Consultant, 2008-2011**

2008:

- Founded Project Grey Goose - an open source investigation into Russia's cyber attacks against Georgia during the Russia-Georgia War. Principal researcher for two PGG reports published in October 2008 and April 2009.

2009:

- Wrote *Inside Cyber Warfare: Mapping the Cyber Underworld*, O'Reilly Media 2009 (first edition), 2011 (second edition).
- Presented at the NATO CCDCOE Conference on the Russia's Information Warfare Strategy of Misdirection
- Gave two presentations on Russian and Chinese cyber warfare activities before a mixed agency audience at DIA, August 2009

2010:

- Spoke at the US Army War College Cyberspace Operations Workshop June 2010
- Spoke at the U.S. Air Force Institute of Technology (Cyber 200/300 guest courses) on a semi-monthly basis between 2010 and 2011
- Worked as CIA subcontractor for Open Source Center (Eurasia), 2010
- Briefed India's National Security Council in December 2010 and was the keynote speaker for the annual Data Security Council of India's conference.

2011:

- Spoke at the CIA Open Source Center on Cyber Operations, Tactics and Strategies of the Russian Federation and Peoples Republic of China, January 2011
